*'Come, my friends,
'Tis not too late to seek a newer world,
Push off, and sitting well in order, smite
The sounding furrows; for my purpose holds
To sail beyond the sunset, and the baths
Of all the western stars...
It may be we shall touch the Happy Isles,
And see the great Achilles, whom we knew;
Though much is taken, much abides; and though
We are not now that strength which in old days
Moved earth and heaven; that which we are, we are
One equal temper of heroic hearts,
Made weak by time and fate, but strong in will
To strike, to seek, to find, and not to yield.'*

ACTIVITIES WE HAVE A BLAST

The U.S.S. Yellowjacket has many activities to fit you. Every Friday during football season there is a pep rally for the spirited ones. The fun does not stop there. We have dances, parades, and crazy days. There are plays, talent shows, and just plain fun. Join us. Activity days are here to stay.

FAIR

Donna Grubbs had more reason than most girls to look forward to the Fair. She was our candidate for Fair Queen.

She competed Monday night at 8 pm with 7 other candidates from other area high schools in Brazoria County. The winner was to compete in the Texas State Fair held in Dallas.

Although Donna did not win, we are mighty proud of her for representing our school in the contest.

THE SENIOR CLASS

CF 1989

OUR HIGH SCHOOL DAYS WERE:

We used several different ways to get rid of our friends!

Some of our dates in high school flopped, especially this one

And the clothes we wore to turn on the boys

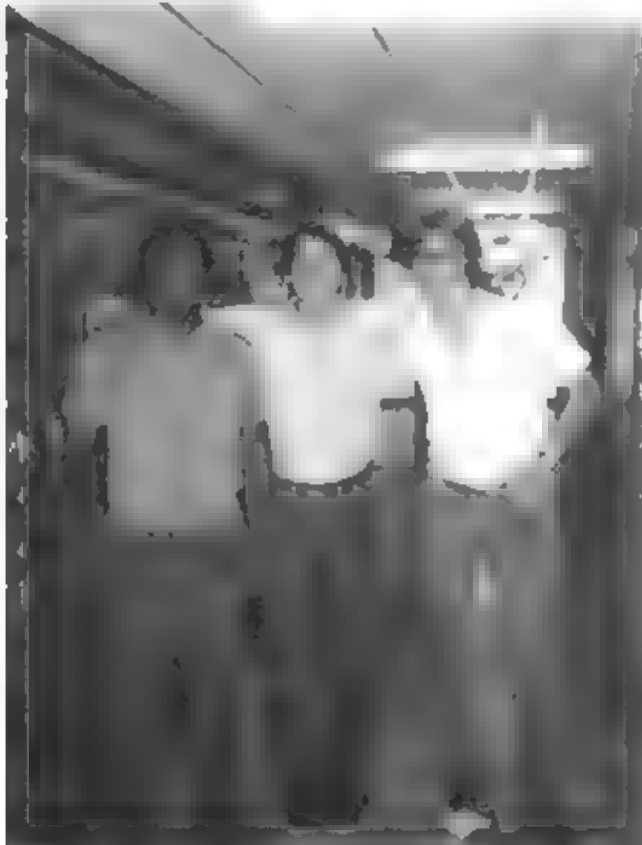

And what we did at our Saturday night slumber parties!

This was our favorite place to go after Prom, etc

CRAZY DAYS!

In the four years of high school that we all endure, there emerges a special group of friends for everything we do, in or out of school

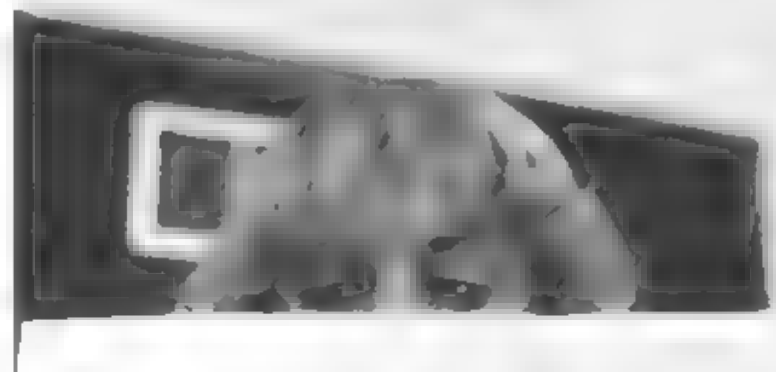

The closest of all friends we have made through the years are our "buddies," those that stick with us through thick and thin

And then there's our clowning around friends, those we have had since birth

And then there's the old dependable boyfriend whom we will never forget, especially when we sneaked kisses while our parents' backs were turned

CHERUBINI

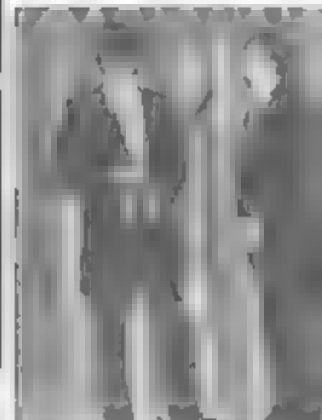

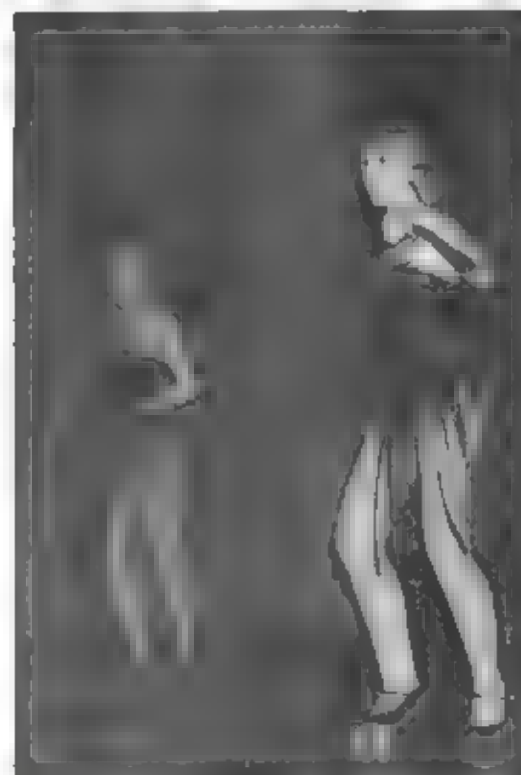

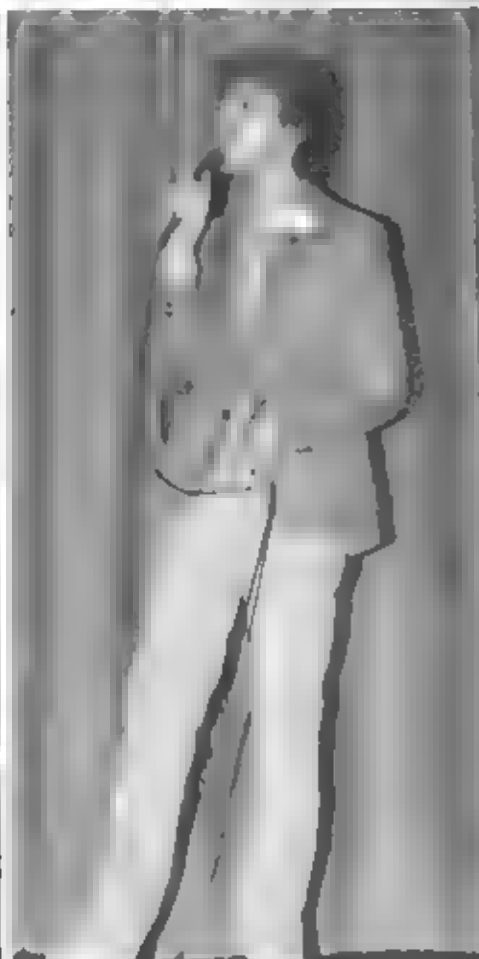

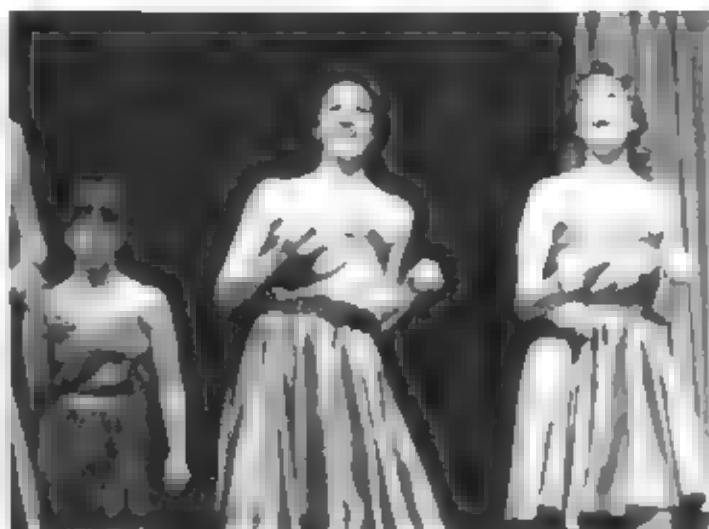

And then, last but not least, our class mates, those that you call at 10:45 because you forgot your Trig homework (This is how you look the morning after!)

WE THANK BILLYE HARVEY

To Ms. Harvey: The 1983 Yellowjacket Staff would like to thank you for being our yearbook sponsor for so long. It is with great regret that we mark your departure from the Yellowjacket Staff. You always taught your students the importance of life and we hold that close to our hearts. Since your life seems to revolve around the students and their activities, we dedicate this 1983 activities section to you.

REVUE IS A BIG SMASH THIS YEAR!

WASHINGTON D.C. IN '83

The students that attended the 1983 Closeup trip were: Janet Wimberly, Rita DeWitt, Tobbye Nelson, Tracy Webb, Susan Matthews, Cassie Ostendorf, Michelle Abney, Becky Adams, Danielle Tywater, Brad Hensler, Rhonda Roark, Terry Davis, Kendall McGilvray, Glenn Cole, Jon Jernigan, Georgia Gernand, Cindy Osteen. Mr. McCauly was the sponsor for the trip

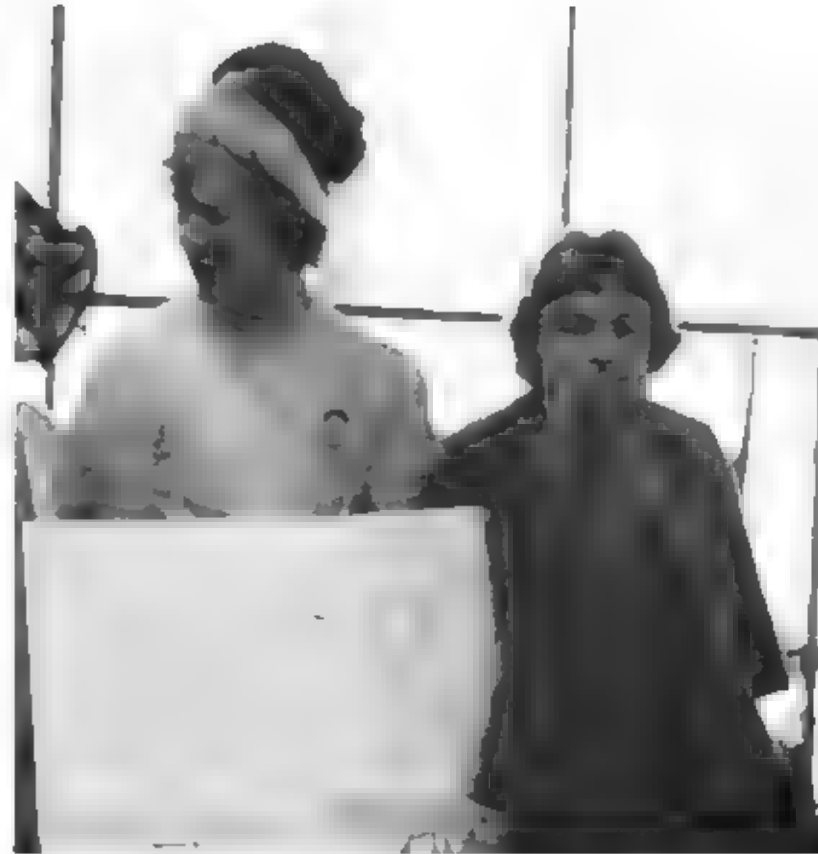

The group of students attended many conferences, seminars, and workshops. Although they lost a lot of sleep and did not always eat a balanced meal everyday, they still had a lot of fun and even learned something about our American governmental process

A.H.S. 1ST JUMP-A-THON

On March 4, the Avin High School Physical Education Department sponsored for the first time a Jump-Rope-A-Thon. This event is sponsored by the American Heart Association each year, and the monies collected through pledges go to researching diseases of the heart. The students jumped rope in teams of six over a period of three hours. Each student would jump a total time of thirty minutes during this time span. Refreshments were served to those participating and music was supplied by Coach Urk. Sixty participants helped to raise \$3200 through pledges collected in the community. This was an outstanding contribution from the participants of our first annual "Jump Rope for Heart." Our sights are set for bigger and better achievements next year. Those participants turning in monies collected from pledges were awarded prizes according to the amount collected. Those prizes consisted of a jump rope, a T-shirt, a duffle bag, or a warm-up suit. We are looking forward to raising even more money next year. Make plans to join us.

CHILDHOOD MEMORIES.

On March 31st in eighty-three
The seniors were set free,
They thought it would
Be really fine,
To dress like kids and recite nursery
rhymes.
To Morgan Park they up and went,
Then to the skating rink,
Which they had to rent
Laughter rang from every Senior,
As they skated over several fingers
But pressed for time they couldn't
linger.
They had to go back to being Sen-
iors
As they retreated back to the
school,
They had to stop being silly fools . . .
But when each and all are old and
gray,
They will remember the fun of KID
DAY!!!!

Prom 1983 :

"A Night In Paradise"

May 7th

The 1983 Prom of Alvin High School was held at the Marriott Hotel in Houston, Texas. This year the theme was "A Night in Paradise." There was a huge Hawaiian buffet which consisted of chilled crab fingers and shrimp, to scallops wrapped in bacon. The music was by Doppleganger who played slow, rock, and country. The couples were greeted by chaperones with Hawaiian leis and memory books which were blue satin with white tassels. The Prom was a great success and a time everyone will remember.

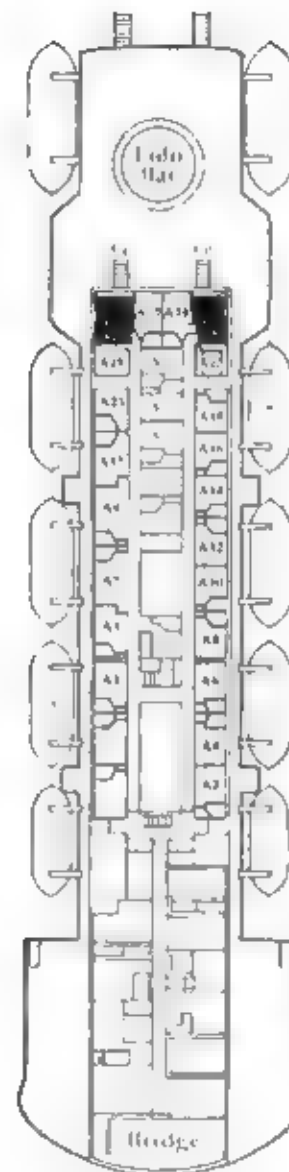

An Exquisite Night Out.

In all the years the Class of '84 has spent together, we would have to say that our junior year has been by far our *Greatest!* It was the year that the boys and girls finally participated as one. It brought us a closeness that we've never had before and made this year the *Best* ever

The juniors got together for a big beach party, an eventful slumber party, and tons of midnight movie trips. We also had one very courageous camping trip, many Sunday afternoon football games, and a New Year's Eve that will never be forgotten

All in all the Class of '84 would have to say that our junior year holds the greatest memories of our lives so far As we've said before, "We've laughed together, we've cried together, but most of all we've stayed together."

The Varsity Volleyball Team won a berth in the area play-offs by placing second in their district with an 8-2 record. All District selections were Kelly Sloan, Jackie Zapalac, and Nicki Landsman. Those named to the Second District Team were Karen Lezak and Shanna Pennoch. Honorable Mention went to Rhonda Garza.

Their season record stood at 19-7. They won the Pasadena Tournament with Kelly Sloan being selected for the First All Tournament Team and Jackie Zapalac being named to the Second All Tournament Team. Coach Janet Dirba said, "The Varsity Team matured as the season progressed and improved tremendously."

WINNING AGAIN!

Alvin's 1982 football season was certainly that, a winner. Varsity finished the season with 5 wins, 4 losses and 1 tie. This was the best record and first winning season since 1969. Alvin started the year strong by shutting out their first two opponents. Houston Spring Wood was the first to fall, 14-0. Houston Belaire invaded Alvin the next week and fought valiantly but in vain as the Yellowjackets downed the Cardinals 9-0. Alvin traveled to Clear Creek the next week for their last non-district encounter. Alvin fought hard, but the harder they fought, the more mistakes they made. Alvin fumbled six times and Creek managed to escape Alvin's unscored upon defense for seven points, Creek 7, Alvin 0. Alvin entered district play against the Victoria Stingarees. The Stings scored early in the first quarter, but from then on it was all Alvin's fierce defense and hard hitting offense. Alvin scored in the third quarter and held Victoria scoreless the remainder of the game as the game ended in a 6-6 tie. District 25-5A runner-up, Dulles, used a long run and two field goals to boost them over the Jackets, 13-0. A fourth quarter drive by Lamar Consolidated Mustangs proved to affect Alvin's third loss, 10-7. District Champion Brazoswood invaded Alvin on their homecoming and showed Alvin why they were champions by beating us 20-0. After getting over a hump in District, Alvin finished with three straight wins. Alvin traveled to Victoria Stroman and showed their strength and pride in beating the Raiders 21-0. Alvin's next victim was Port LaVaca Calhoun. The Sand Crabs left Alvin with a long trip ahead of them. Alvin turned back a late surge by Port LaVaca to pull it out 12-7. The season finale pitched Alvin and Angleton into the ring. Neither team was playing for more than bragging rights, but no one could tell by their performances. Alvin 8, Angleton 3. Head Coach Rex Turner has changed Alvin into a winner. GOOD LUCK NEXT YEAR.

CAME THROUGH WITH A GOOD SEASON

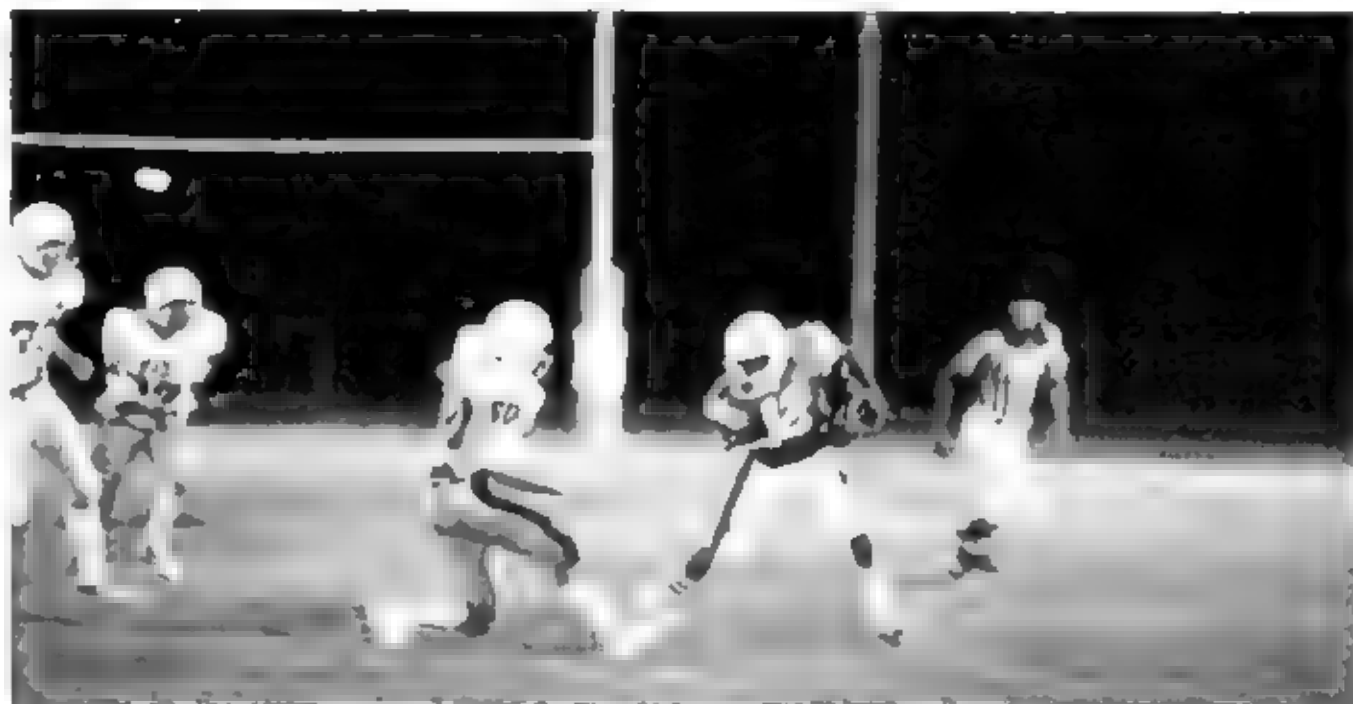

The Junior Varsity football team had one of the better seasons of their history. They came through with 4 wins and 6 losses. This showed that the new coaching staff and enthusiastic boys could put it together and make it work. Some of the outstanding players for the team were junior offensive tackles Daryl Ryan and Jeff Hooks, defensive end Eric Roberts, and defensive back Noel Ballard.

Some outstanding sophomores were defensive back Randy Roland, right offensive back Paul Thomas, and fullback Russell Peltier. We would like to congratulate the Junior Varsity football boys for a fine 1982 season and wish them the best of luck next year as future Varsity players.

OUR MEMORIAL TO CHARLIE ACKLEY 1962-1982

Charles Howard Ackley graduated from Alvin High School in 1980 where he was a three year letterman in both football and baseball. Ackley received the Matshuata Award for being one of the top four athletes and received the Bob Tinnin Cup which is the highest award an athlete can earn.

Charlie made Honorable Mention in football his sophomore year and in his junior year was First Team All District. In baseball his sophomore year, he was Honorable Mention and his senior year, Second Team All District.

His position in football was running back and quarterback. In baseball his position was pitcher and outfielder. He played on a summer league softball team called the Bad News Bears and was listed as a blue chipper. After high school he extended his career at Sam Houston University where he played as a split end.

Charlie died as a result of a plane crash in October near Needville, Texas. In memory of Charlie Ackley, we dedicate this page to him and his loved ones.

A Hand From Heaven

A hand from heaven passed my way
A breath of life I felt,
I knew a loved one, oh so dear,
With Christ has finally dwelt.

Tears cannot come nor sorrow stay
With Thy grace filling me,
I only know a peace within
For my loved one dwells with Thee.

EXCEPTIONAL ATHLETE

This July in New Orleans, Brenda Langford will be racing for the gold in an international competition of strength, courage, and determination. Brenda may not be AHS's leading runner, in fact she can't even walk, but her strength, courage, and determination rank her with the world's best athletes. She is confined to a wheel chair by a common disorder shared with over a half million citizens in the United States. Cerebral Palsy is a disorder where muscular control and coordination are impaired due to brain damage, but Brenda has not let her handicap impair her competitive nature. For the past two years she has been competing in the Special Olympics.

The Special Olympics started in 1968 as a program of sports training and athletic competition for handicapped individuals, and since then it has grown into an international program with over one million participants in 40 countries. The athletes train and compete in 15 different Olympic type sports including skiing, wrestling, bowling, mountain climbing, diving, and football playing.

Brenda began participating in Special Olympics three years ago and qualified for track and field competition with times received in State Special Olympics last May. The Student Council is sponsoring Brenda with a \$200 scholarship to get her to the International Special Olympics. Brenda is coached by Jean Sutton.

DISTRICT CHAMPS & REGIONAL QUALIFIERS

The Yellowjacket Varsity Basketball Team had their most successful year since 1970. They won the District 25-5A title while posting a 23-9 record. Twelve of these wins were put together for a home court winning streak which kept Alvin fans attending games on a regular basis.

We enjoyed spectacular basketball this year as two of the players established team records. Phillip Howard had the highest field goal percentage of 66% and was the leading rebounder. Ronnie Floyd performed skillfully and displayed outstanding ball control as he earned the highest scoring average.

Awards were forthcoming in tournaments and district play as listed below.

Scott Marasckin seems to be complaining again

The Varsity track team had an eventful season. They attended 8 track meets and came home with many first place ribbons. They did well at finals in Victoria and had 3 boys going to regionals.

To the left, sophomore Bill Goyen attended regionals in pole-vault and came through with a 13 foot record. To the right, junior Artly Owens went to regionals in the 100 meter dash and ran a 10.87. Below, junior Ned Pucek attended regionals placing fifth in the 200 meter dash. He also received second in the 110 high hurdles and will be competing in state for this event.

We would like to show our appreciation to these 3 boys for all the time and hard work they put into this year and wish them the best of luck with next year's track season.

This year, guided by Coach Alita Zaloudek, the 1983 Gymnastics Team had a very exciting and progressive year. The success of the entire team was obviously due to the extreme effort throughout the long workouts, but the close relationship between the athletes is what made all the effort and pain worthwhile and made all the victories eminent.

Alvin Yellowjacket Brigade

Lynette,

We all love you very much and you established one thing in our hearts,

That the loving and caring between the Brigade can never be broken apart

Your love, affection, and sisterhood will be with us for the rest of our days,

We will remember the good times that we all spent together and especially your caring ways

You meant something to each and everyone of us and you will still be by our side,

Through the kicking, hard work, and competitions we're in, your love will carry us far and wide

The Brigade misses you very much but it makes us want to keep going on farther,

Because the great memories you have left behind will only make us kick that much harder

Your love, Lynette, will always be with us and the Brigade's love as we can all see,

Has been the greatest thing that could happen to us to remember you Lynette, and the Brigade of '82-'83

Vicki Shiver, Lori Andrews, Tyrena Poiensky, Rhonda McGure, Tracey Newman

Each year the eighth grade students in our three junior high schools elect cheerleaders for their first year in high school. They are selected on an enrollment basis which allows two from Alvin Junior High, two from Harby Junior High, and one from Manvel.

The girls perform their cheers and gymnastics for their respective student bodies who then cast their votes according to skills exhibited. The freshmen cheerleaders not only lead cheers for all freshmen athletic events, but also paint signs and support their teams in various ways throughout the year. They have a great deal of fun but work very hard to represent their class in an admirable manner.

BAND HAS LOTS OF FUN

The Yellowjacket Band presents, "What We Do For Fun " Band is great, we work hard, but it is all worth it in the end. The Concert and Symphonic Bands along with the Jazz Band attended a world festival at Nashville, Tennessee, April 17-19. Members of the band devoted all their energies to raise money to attend and worked hard on their music. The Band Booster Club helped the band to raise money by selling refreshments at the UIL Marching Contest, selling pizza kits, and having a booth at all the home games. The Concert Bands also attended a UIL contest during concert season. A few seniors were asked how they felt about band in general and these were their answers. "Band means teamwork, discipline, cooperation, friendship, leadership, skill, and a great experience"-Brad Hensler. Vonda Cogle-"It's a challenge and the opportunities to go to contest are fun." Ronnie Manning-"I enjoy playing, the thrill of victory, and the agony of defeat." The band worked hard all year. Marching season started at the beginning of August with practice during the day and continued on through the marching season. They received a superior rating at the UIL Marching Contest held in Alvin during November. The members of Alvin High School Band show great devotion. Their attitudes prove that it is a great way of life!

1982-'83 STUDENT COUNCIL MAKES PROGRESS.

Student Council representatives are elected by the student body each spring for the upcoming year. To be eligible students must have and maintain a "C" average in academic courses and have satisfactory conduct. Joining those elected members are the president and vice president of each class as well as the Boys State and Girls State representatives. The Student Council works hard throughout the year on their various projects and maintains an image of admirable leadership for the student body of Alvin High School.

The Alvin National Honor Society has been very active this year. They started the football season off with the first victory dance. The money they earned from this dance was used for the two \$300 scholarships they awarded at the end of the year. They also sponsored a tutoring program to help students who were having trouble with their studies.

"This is so humiliating," said Kevin Otto.

Last November the AHS Chapter hosted the Fall Regional Convention at ACC. The regional project, in which all honor societies in our region took part, was decided upon at this convention. A Dance-A-Thon was held at the Clear Lake High School in order to raise money for the Shriner Burns Institute. Alvin's Earnings totaled \$1475.

They also hosted College Night on Oct. 18. Fifty colleges from around the state attended to provide information about their school for interested students.

Last February the National Honor Society sponsored a computer dating project. This was a fun project for Valentines Day and many students and teachers enjoyed it.

Some of the members participated in a jump-a-thon. This was to raise money for the Heart Association.

All in all, the honor society had a good year and should be very pleased with its accomplishments.

FUN FOR SPANISH CLUB

Although the Spanish Club was unable to attend this year's state convention of the Pan American Student Forum in San Antonio due to a new "petal" being added to the Flower, they did enjoy many activities throughout the year. They kicked off this school year with a "Welcome Back" party at Merri McGraw's house and the yearly Christmas party was once again held at Greg Trafton's house. In an attempt to raise money for future activities and to have fun in the meantime, they sold baked goods at the annual Halloween Carnival at ACC. They also held a paper drive which proved to be an unusual and different experience. While Mrs. Flower was away on family business, the Spanish Club took a six week recess and finally wrapped up the year with a fun filled beach party in Galveston. 1982-83 SCI-FI

The purpose of the Sci-Fi Club is to provide a forum for like-minded students to meet to promote futuristic vision and productive imagination. Membership is open to anyone interested. Presently, membership consists of a mixture of freshmen, sophomore, and junior boys and girls. During the 1982 school year, students participated in many events. A "Get to Know Your Fellow Player" party was held. The Sci-Fi Club met several times to view episodes of "Hitchhiker's Guide to the Galaxy."

The I.C.T.-V.I.C.A. Club brings together students with a common interest. ICT helps them to develop as a leader. VICA gives them the opportunity to work in the career field that they will pursue after they leave High School. Several students have attended District and State VICA contests in Pasadena and Forth Worth. After competing in District they enjoyed the trip to Forth Worth where they also competed. They attended a dance at the Tarrant County Convention Center and Six Flags. They had a marvelous time. It was an experience that will be well remembered by everyone that attended.

Joe says, "Me, have a hickey?"

Look at these dummies!

D.E. students take it easy

Distributive Education is a vocational training program for high school students who have a desire and aptitude for training in the fields of marketing and distribution. Distribution is the business of moving. In Distributive Education the student learns the marketing process in a live laboratory meeting situations, accepting challenges, and improving their skills. Each student is encouraged to become a member of Distributive Education Clubs of America. Members are urged to participate in district and state DECA contests, local fund raising activities, and social functions.

MAJOR APPLIANCE REPAIR

The purpose of this course is to provide the student with the basic manipulative skills that will prepare him for an entry level job in the field of Major Appliance Repair. This course includes instructions in safety awareness, care and handling of tools and equipment, basic electricity, garbage disposals, dishwashers, electric and gas clothes dryers, electric and gas water heaters, electric and gas ranges, automatic washing machines, heating and air conditioning. The student is encouraged to join the Vocational Industrial Clubs of America. This gives him the opportunity to participate in a program which is specifically designed for the development of leadership. This major appliance program is a two year course.

WE CAN FIX IT!

The Appliance Repair technician must be able to install, maintain, and service all major home appliances which include washing machines, clothes dryers, water heaters, ranges, dishwashers, refrigerators, freezers, and window air conditioners. In order to service the modern appliance with its multicyle selection, the technician must be able to read cycle charts, wiring schematics, and understand the mechanical operation of the appliance. He must be able to use hand tools and test equipment. He must understand house wiring and be able, if necessary, to install particular outlets for appliances in some special areas. He must be familiar with all types of electrical distribution panels used in the homes, both old and new.

Learning isn't easy ...
 frustration tends to set in
 quickly.
 You hurt.
 You feel defeated
 You want to give up-
 to quit.
 You want to walk away
 and pretend it doesn't
 matter
 But you won't,
 because you're not a loser-
 you're a fighter .

We all have to lose sometimes
 before we can win,
 we have to cry sometimes
 before we can smile.
 We have to hurt
 before we can be strong.
 But if you keep on working
 and believing,
 you'll have victory
 in the end

- Ann Davis

COLOPHON

The 1983 Yellowjacket consisted of 256 pages and there were 1000 copies printed. The book was published at *Josten's American Yearbook Company* in Topeka, Kansas. The book was printed on 80 pound glossy enamel paper. The type was set in 8, 10, and 36 point *AVANT GARDE*. The Senior portraits were taken by *PAULS Photography* in Longview, Texas. The underclass pictures were taken by *Provine Photography*. Activities were taken by *Stanley* here in Alvin. Mrs. Andrews was our new sponsor. Mike Custenborder was our publication consultant and Mike Biles was our yearbook representative.

Throughout the 1982-83 school year, the annual class had to overcome many obstacles. The class went through a great change in attitudes when longtime sponsor Billie Harvey retired. Our new sponsor Mrs. Bobbie Andrews, was a great inspiration to myself and the class. She always told us we could do it and pushed us until we did. Mrs. Andrews spent many long, hard hours trying to help us learn while actually learning herself. I would like to express my sincere appreciation to her for all the kind words, time, patience, and understanding in helping this class to put out the "Silver Cruise" annual. Although there were many rough times and I even felt we were not going to make it, this class pulled together with friendship and teamwork to make this the best annual ever. My thanks also go to Mr. Mike Biles, our yearbook representative for without his time and patience we, the class, would have been lost. He spent many extra hours with Mrs. Andrews, myself, and the class helping us. Mike took the time to have a one day workshop to teach us new and faster techniques of annual and even organized an assembly for the entire school. My sincere thanks also go to Mr. Lubbie Whitmire, Mr. Jim Stanley for his photography, The Alvin Sun for their pictures, and Paul's Photography in Longview, Texas, for their assistance in helping us to prepare for better years to come.

In closing I would like to express my congratulations to the 1982-83 annual staff for a great job. "WE DID IT!!!"
